Profile

Passionate college student pursuing a B.S. in Information Technology, seeking an internship opportunity to utilize my software development knowledge and communication skills. I am a dedicated, hardworking student committed to becoming a dependable and valuable team member.

I have experience in creating fullstack modern websites using react frameworks such as Next.js. I also have a passion for programming and interest in emerging technologies like AI. I am currently exploring how artificial intelligence can transform businesses and people's lives.

Education

Bachelor of Science in Information Technology, Jomo Kenyatta University of Agriculture and Technology, Nairobi
